Outcomes-Posters

Two workshops and work from home by the participants brought wonderful results, some of which you can see here:

The contest

Results were uploaded in google forms so as to vote for the best and sent by link to all LOUD students participants:

[For logos](#)

[For posters](#)

P.S Original thought had been to be sent to a larger audience but COVID situation didn't help in the access of it.

The winner is *Dimitra Avramidou* both in logo and poster contest
